Posh Celebrations – New Book Release

Middleburg, VA – Looking for the perfect holiday gift for your pet-loving friends who love to give parties? Susan and Posh Rogers announce the publication of their new book, ***Posh Celebrations***, which is a party guide with advice on how to plan sophisticated, whimsical themed parties for your friends to celebrate your pet.

This party book is presented by Posh, a charming West Highland terrier, who reveals his secrets for giving fabulous parties and includes complete plans for seven themed parties with recipes and cocktails. Start planning a year of unforgettable parties with your own party animal from Valentine's Day and birthday celebrations followed by summer beach and vineyard parties through to Halloween and football season.

Posh explains, "I've been giving fun and memorable parties for years and with the encouragement of my family and friends, I decided to share my expertise and secrets to giving successful parties."

Posh's party guide with original illustrations covers the party planning process from setting the scene to designing the gift bag to creating a classic cocktail to planning the menu. He also includes his thoughts on fun and friendship in each chapter with "Posh Talk" and a "Posh Proverb," and his favorite feline friends contribute with Ali's Cheeky Chatter and Zhivago's Terrific Tips.

Pet and party lovers can purchase the book at www.properlyposhpets.com and get the party started!
